Dear Parents and Cross-Country Athletes:

I wanted to take a moment to get back to you regarding our Cross-Country coach and the concerns you have expressed to our athletic director, other representatives with Carson High, and our district. I have taken time to more fully digest everything, including the letter submitted and signed by students. Thank you for caring enough about the program to voice your thoughts and concerns.

As you may know, cross-country holds a special place in my heart, and the feedback we received weighed heavy on me. I want to be the one to let you know that Coach Munyan will continue as Head Coach for the Cross-Country program at Carson High.

Inherent in the school setting is a culture of learning and growth. I have witnessed firsthand the power of resilience with students in the classroom, on the court, or on the track where they overcome immense challenges with a growth mindset. One of the values we teach students is that people can learn, reflect, and grow from difficult experiences. As we move forward, I hope we can create space for that same growth among the adults in our school community. Attached you will find a personal letter of apology from Coach Munyan. I encourage you to read it, as he shares his reflections and commitment moving forward.

To help us all make the next step forward, I would like to invite you to a team/family meeting this Thursday, June 18, at 5:30 p.m., in the Tech Center. It is my hope that we can move forward to a successful and positive season with a renewed focus and celebration of our athletes.

Our Athletic Director and Vice Principal have signed this letter with me. We all want you to know that we are committed to being as transparent as we can be. Please join us all at the meeting Thursday. We are ready to begin a new season, unified with you.

Sincerely,

Cheryl Macy
Principal
